01 Who We Are

1991 Established

30⁺ Years
History

7 Million
KVAh / year

- 30+ years experience in Lead Acid Battery Industry
- 10+ years experience in Lithium-ion Battery Industry
- 10+ years experience in Energy Storage Solution

- 6 Million KVAh VRLA battery production capacity
- 1GWh Li-ion battery production capacity

Development Milestone

www.sacredsun.com

Aim

Sacred Sun is Committed to be a first-class green energy comprehensive service provider.

1991

Established

1993 – 2V AGM products were developed and realized scale production.
2000 – Introduced advanced European and American production lines.

2001

State-owned capital withdrew, turned into a private enterprise.

2008 – OPzV GEL batteries were developed.
2009 – Lithium-ion battery production started.
2010 – FnS Power established.

2011

Listed in Shenzhen Stock Exchange

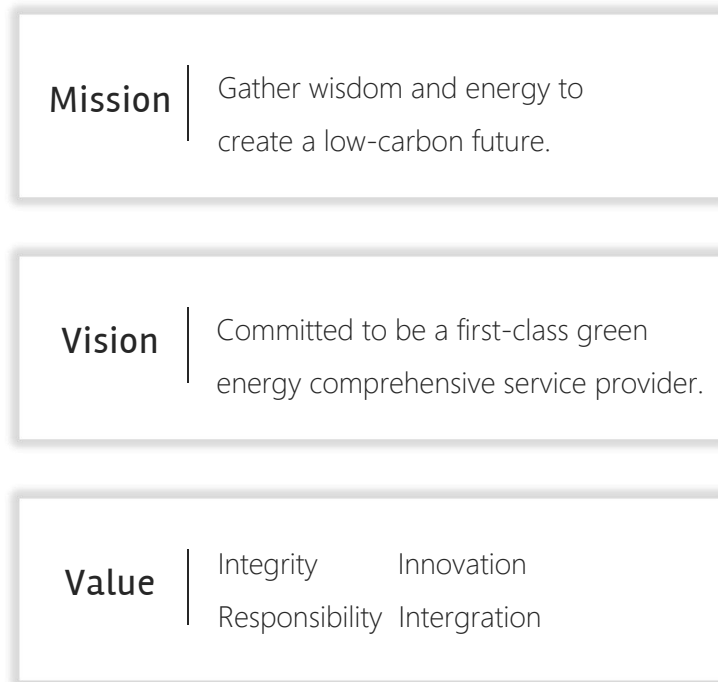

2014 – Sacred Sun Europe established.
Strategic cooperation with Japan Furukawa Battery.
2016 – Sacred Sun MEA established.
2017 – Sacred Sun APAC established.
2018 – Sacred Sun HongKong established.
2019 – Lithium-ion battery production capacity expanded strategically.
2020 – Strategic Holding by Shandong Guohui

2021

Capacity improvement of lithium-ion battery cell

Our culture lead our work and responsibilities.

Develop Industry

High quality VRLA batteries with strong R&D emphasis on Li-ion battery and solar system integration.

- Technology
- Environment
- Quality

Customer Satisfaction

Customer Satisfaction is the core of our operational philosophy.

- Service
- Best products
- Cost
- Quality
- Delivery

Create Value to Society

Create value benefits to society, accumulate meaning of enterprise existence.

- People
- Environment
- Community

Environment

We are committed to create, maintain and improve environmentally friendly technologies in the industry.

ESS Integration Solutions

www.sacredsun.com

We provide solutions from household energy storage to industrial and commercial energy storage. At the same time, our business also extends to diversified power products such as small power lithium battery and lead-acid substitution, and actively provide customers with all-round system integration solutions.

Residential ESS

Battery Module & Bank
Hybrid Inverter
All-in-one
Household HV LIB system

C&I ESS

200~1000 kWh ESS
Above 1 MWh ESS

Others

Portable power station
Lead acid battery
replacement

02 Why Choose US

5 Subsidiaries

- Sacred Sun Hong Kong
- Sacred Sun Europe
- Sacred Sun MEA
- Sacred Sun APAC
- Sacred Sun NA

130⁺ Countries
& regions

We offer solutions for
customers to 130+
countries and regions

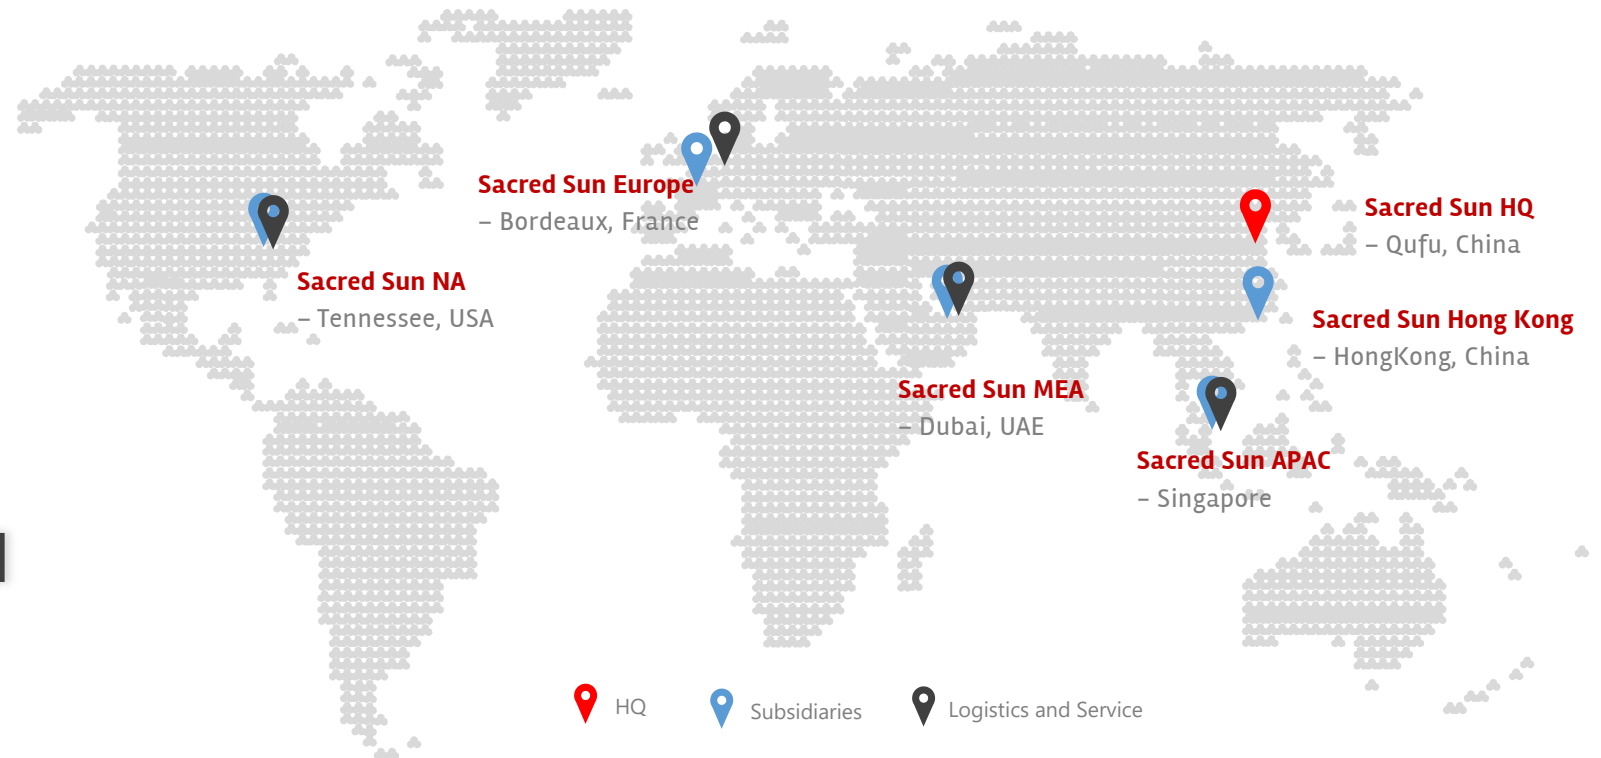

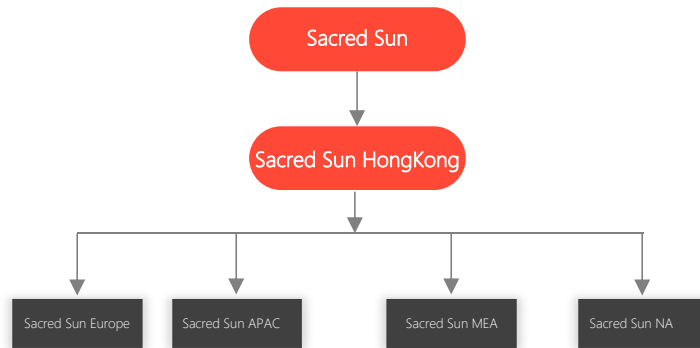

2 Brands

Local Service

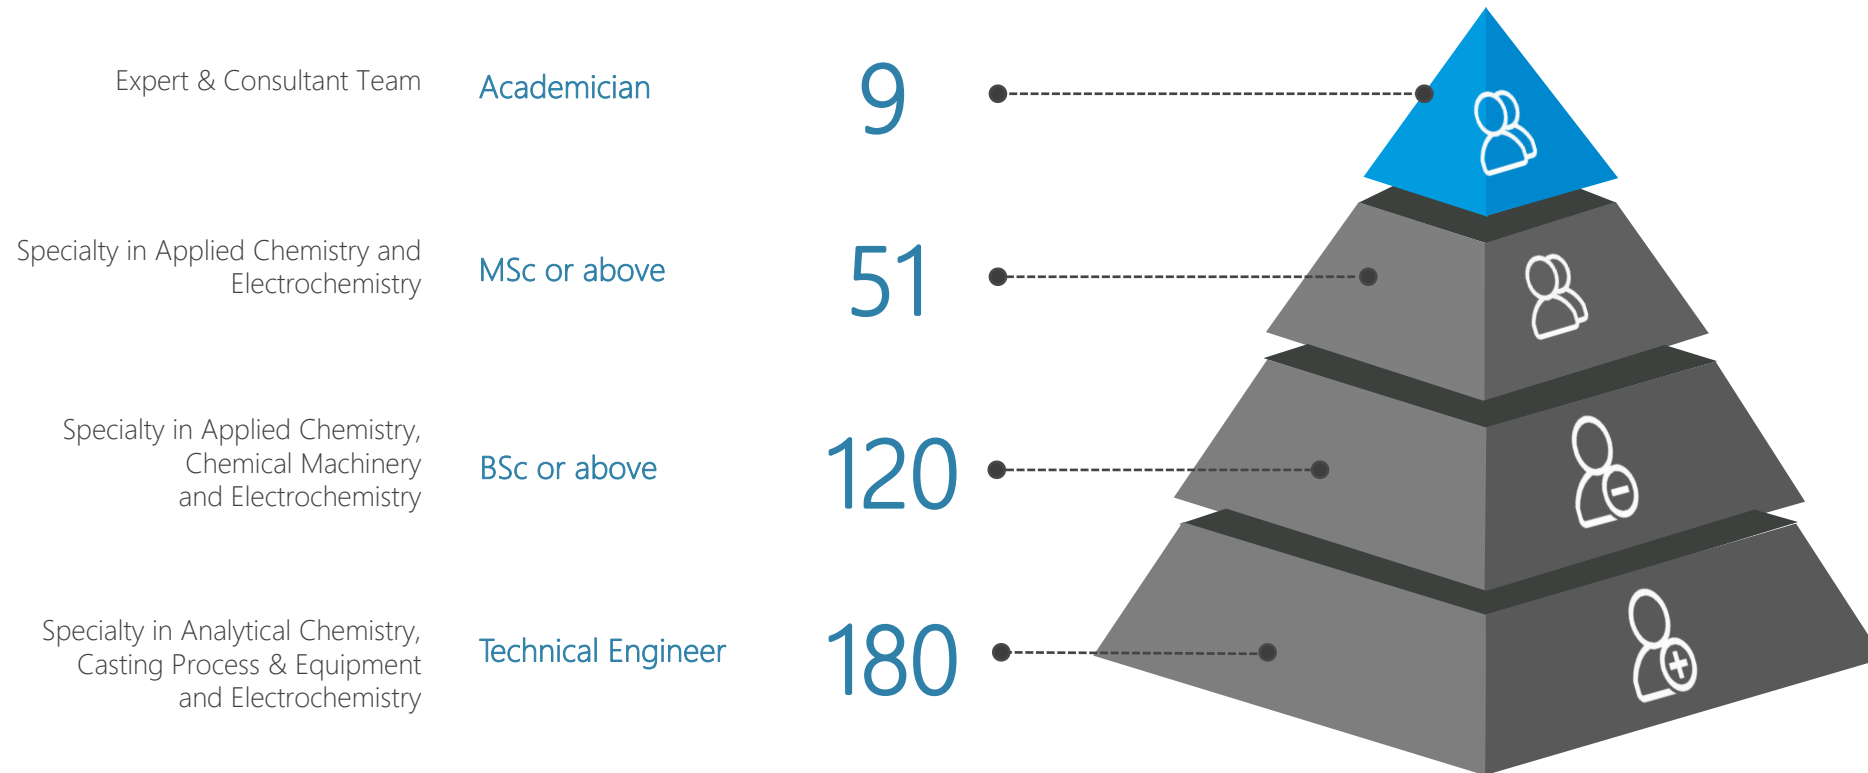

www.sacredsun.com

Global technical support and local service

Technical Support

Composition of the technical personnel

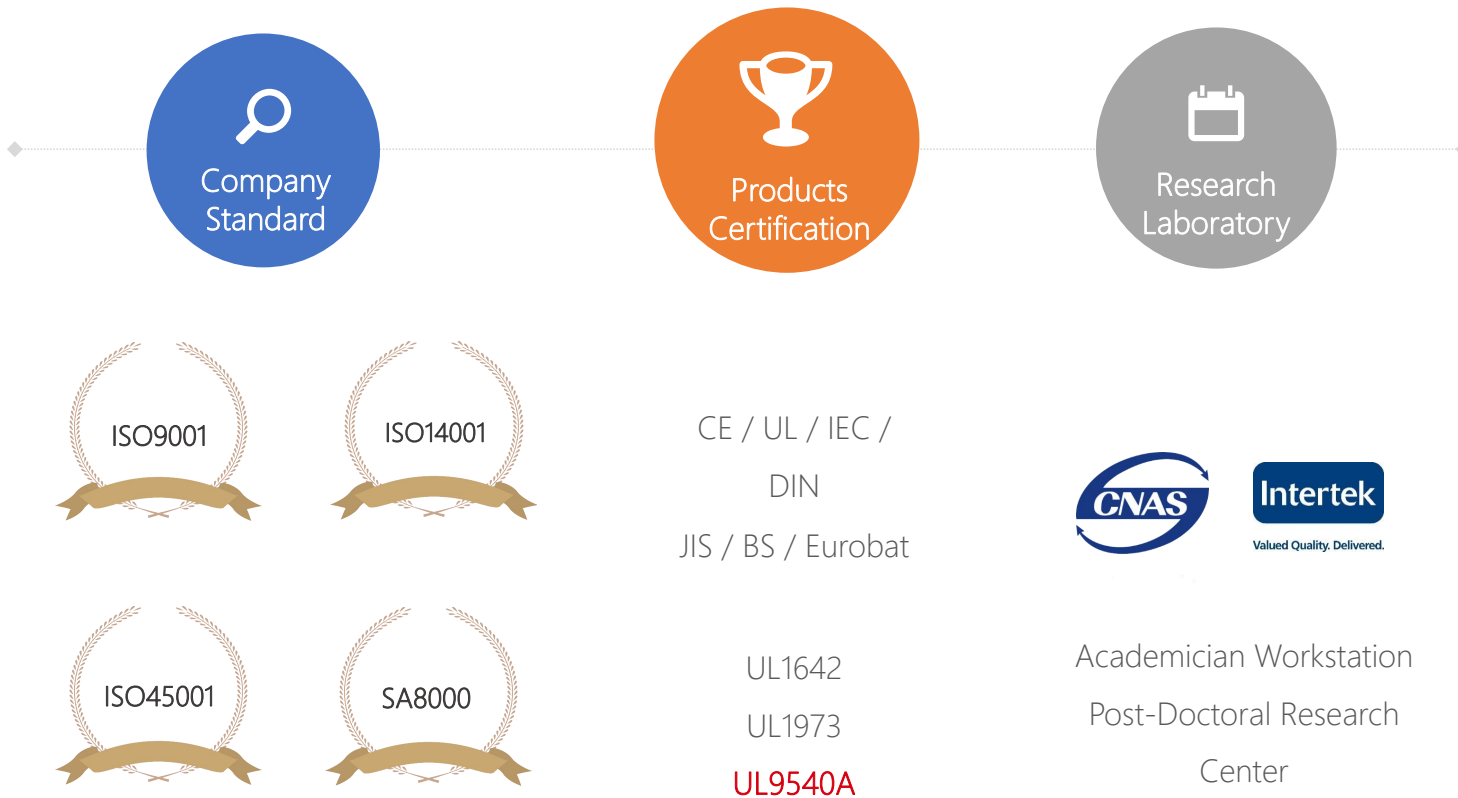

From AGM to GEL, Lead Carbon to Lithium ion, battery technology has undergone revolutionary innovation and transformation.

Sacred Sun has been honored to be powering global technologies.

Technical Support

www.sacredsun.com

Main company / product / laboratory certificates

50+

lead and participate in the formulation and revision of 50 national and industry standards.

5+

Copyrights

240+

independent professional achievements

30+

Core invention patent achievements

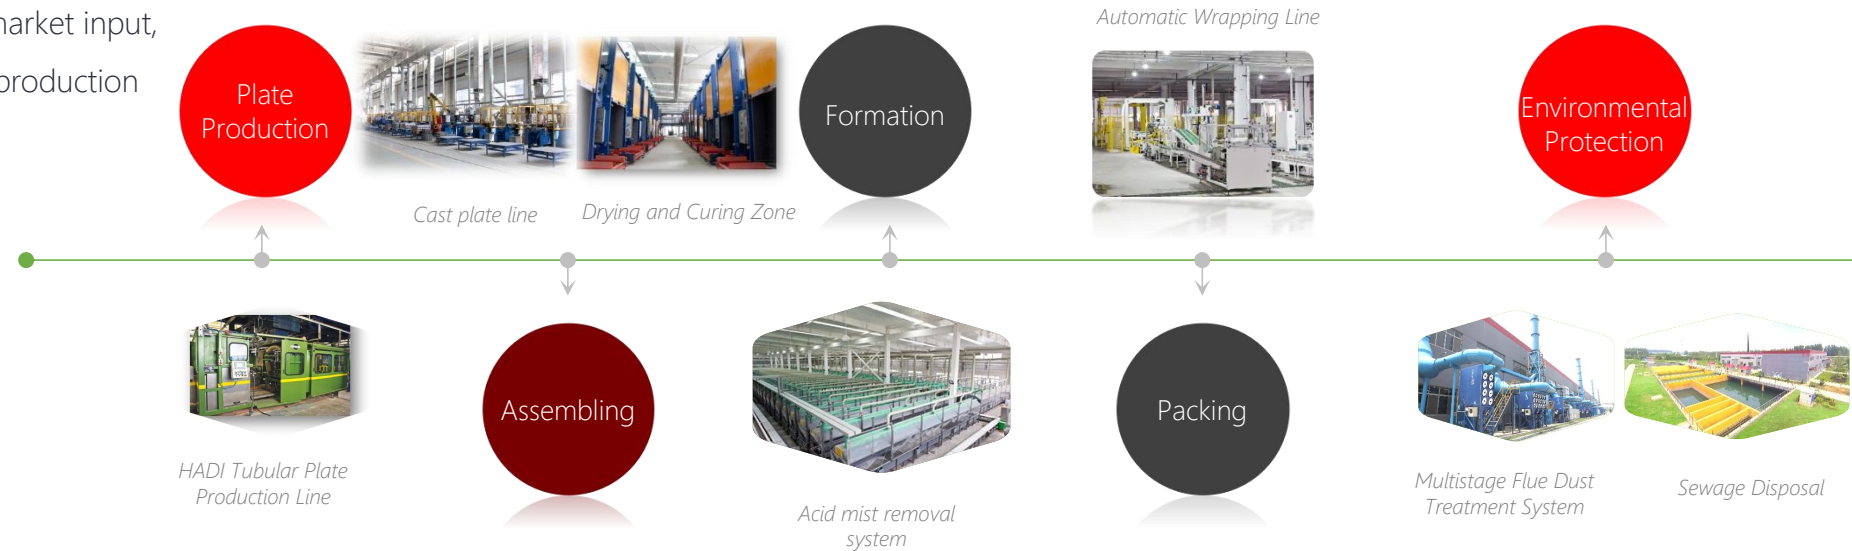

Well-Established Quality Control System

www.sacredsun.com

The concept and practice of Quality Control has penetrated into all processes of our market input, design, R&D, supply chain, planning, production and end customer.

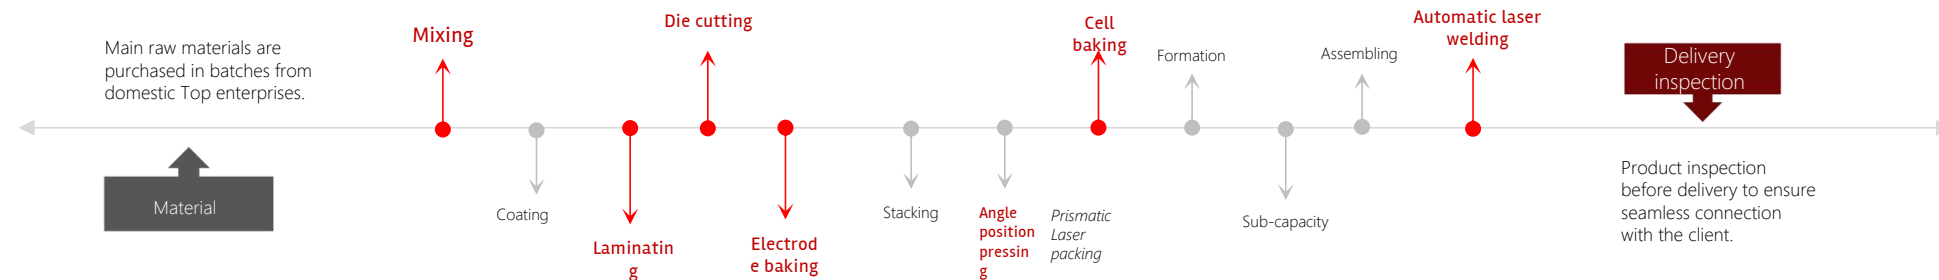

VRLA Battery Production Quality Control

Key equipment and processes ensure high quality products

Lithium ion Battery Production Quality Control

Key equipment and processes ensure high quality products

03 Who Choose US

150⁺

Partners

- More than 50 Global Strategic customers (including operators, Tower companies, Integrators and equipment suppliers and so on.)
- More than 100 Strategic channel partners

1000⁺

Major projects

- Products installed in more than 1000 major project around the world.

Strategic Partner

www.sacredsun.com

We adhere to the leading strategy of

Strategic Partners,

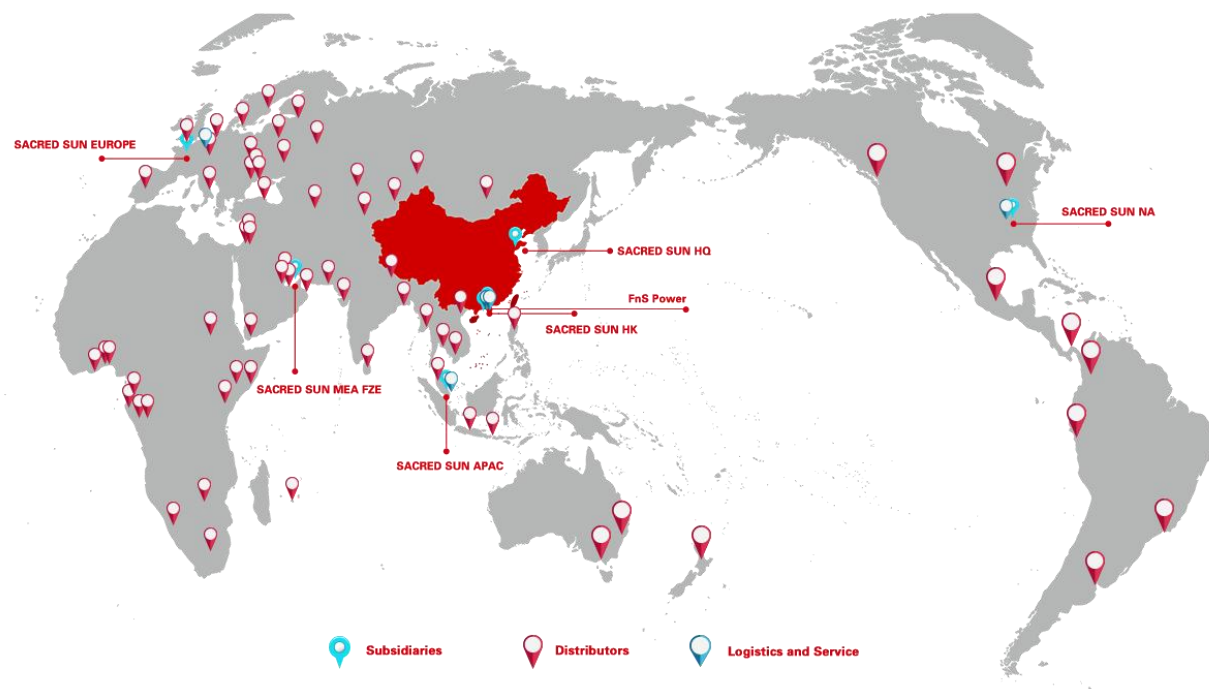

and together with them to provide high-value services to end customers.

Our Footprint

www.sacredsun.com

We are honored to work with partners around the world to serve end customers all over the world. It is **you** who enable our products and services to reach every corner of the world.

America

Argentina	Columbia
Brazil	Ecuador
Bolivia	Mexico
Canada	Peru
Chile	USA

Europe

Belarus	Greece	Romania
Belgium	Hungary	Russia
Czech Republic	Italy	Spain
Finland	Kazakhstan	Sweden
France	Netherlands	Turkey
Germany	Poland	UK

MEA

Cameroon	Lebanon	Sudan
Egypt	Morocco	Tanzania
Ethiopia	Nigeria	Tunisia
Ghana	Qatar	UAE
Jordan	Saudi Arabia	Yemen
Kenya	South Africa	Zambia

APAC

Bangladesh	Japan	Sri Lanka
Burma	Malaysia	Thailand
Cambodia	Nepal	Vietnam
China	Pakistan	
India	Philippines	
Indonesia	Singapore	Australia

Typical Cases (Telecommunication)

www.sacredsun.com

Service the global telecom users.

More than 50 Strategic customers, including global operators, Tower companies, integrators and equipment manufacturers, choose Sacred Sun's products and solutions.

Europe
France

Africa
Sudan

America
Columbia

APAC
Thailand

Cooperated with most popular UPS brands all around the world.

Such as Vertiv, Huawei, Socomen, Delta, Eaton, Kehua, East and so on.

Brazil
ELTEK

System voltage: 384V
UPS capacity: 20kVA
UPS Brand: Delta

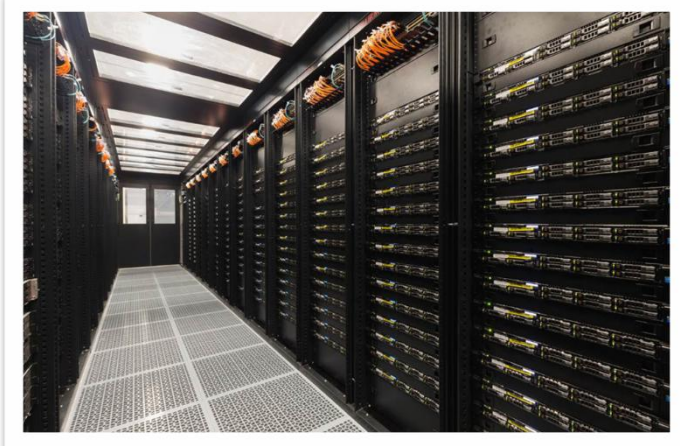

Indonesia

System voltage: $\pm 256V$
UPS capacity: 200kVA
UPS Brand: Vertiv

Columbia

Toberin Data Centre
UPS battery: FT Series

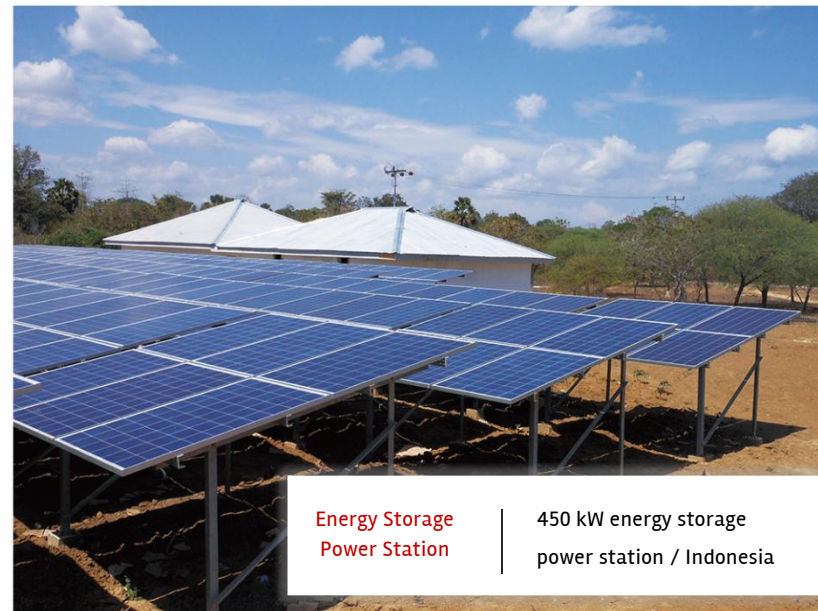

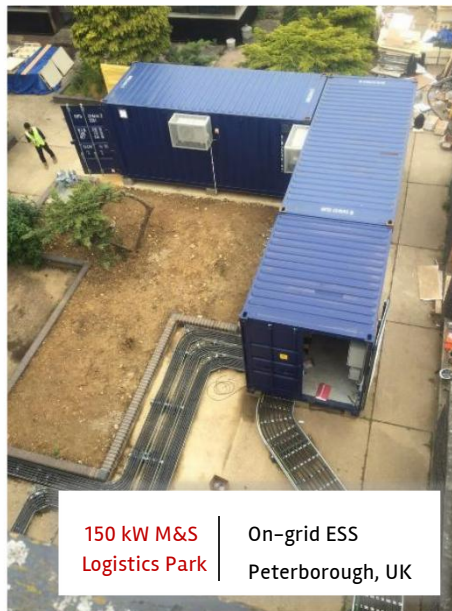

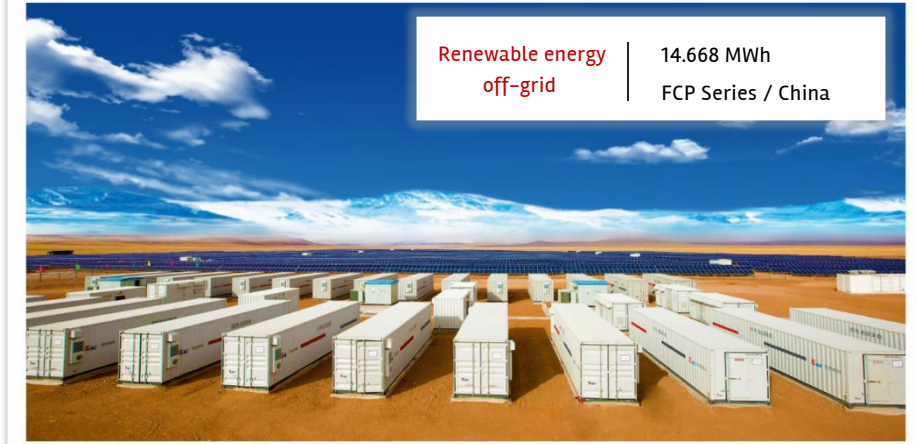

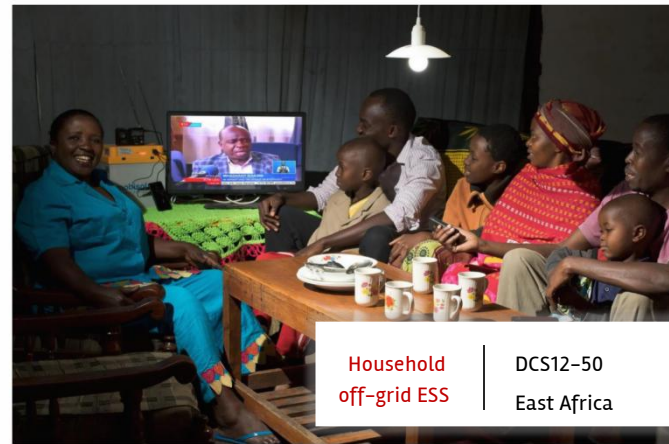

China

JD East China IDC
UPS battery: SPG Series

Typical Cases (Energy Storage Solution)

www.sacredsun.com

ESS Solution
in **every conner**
of the world.

Typical Cases (Motive Power)

Independent brand operation, has become the power battery supplier of mainstream forklift brands.

LINDE
