Through UNI EN ISO certifications for the supervision of quality standards and environmental protection, Green Power assures its customers a more efficient service day after day and, at the same time, cleaves to its commitment of bringing down all critical impacts towards the environment.

As a guarantee for our high qualitative standards, designing, manufacturing and costumer assistance comply with: the certifications **ISO 9001:2015** and **ISO 14001:2015**. Green Power is the innovative and ecologically responsible company that will make your project a reality.

“The Original” icon guarantees the 100% Made in Italy product.

The Original Green Power Generators are produced only by our production line in ITALY.
We do not have facilities out of Italy.

Cribis Prime Company evaluates the highest level of reliability of a company, issuing its own certificates to companies that constantly maintain a high commercial reliability. The parameters are evaluated according to the Cribis D&B Rating, a dynamic and constantly updated indicator that measures the commercial credibility of a company and loyalty to its customers.

Green Power Systems has obtained this prestigious recognition on the basis of numerous variables such as business historicity, balance sheet data and extreme punctuality in payments; consolidating as one of the most reliable and credible companies on the market.

1 INTERNAL PRODUCTIVE PROCESS (VERTICAL INTEGRATION)

The 6 steps of the productive process are 100% managed by GP.

2 INVESTMENTS

In the last 3 years, GP invested more than Euro 11 MLN in new machineries and facilities to improve the quality of the generators.

3 LARGE STOCK

GP has constantly more than 1.200 engine / alternator available in stock.

- . AVERAGE LEAD TIME: 2-4 weeks
- . AVERAGE VALUE OF THE STOCK: € 18.000.000

4 TAILOR-MADE SOLUTIONS

GP can be the right partner for customized projects and sophisticated solutions

- . Super silenced generators up to 55 DBA
- . Generators for the telecom application with 600 / 1000 lts fuel tank and remote control
- . Generators for the military sector
- . Generators with special doors due to space's constraint
- . Containerized generators
- . 2 generators in a single canopy
- . Hybrid solutions
- . Customized colors
- . Semi-coupled generators
- . Overlapping generators up to 80 kVA to save shipping costs

5 AFTER SALES

GP follows the customers in all the phases of the post-sales

6 STAFF

All Green Power Staff, starting from the commercial and managing departments, to our technicians and logistic experts, has the prior objective of customer satisfaction. All your requests and inquiries will be evaluated with highest availability, professionalism, rapidity and politeness.

Technical pre- and after-sales support with multilingual availability 365 days a year.

Immediate price estimation for standard and no standard machines.

Highly specialized technical staff available for designing new installations and solutions and even for technical trainings directly at our company premises.
